

KHUDIRAM BOSE CENTRAL COLLEGE

71/2A, Bidhan Sarani, Kolkata – 700 006

AQAR: 2019-20

7.2 – Best Practices

1. Students' Annual Award Endowment Prizes: Creation of Endowment Fund and Awarding the students with highest score in each year final/semester exams of each department with Memorial prizes donated by the Governing Body members and teaching staff of the colleges. These prizes are given from the endowment fund and the amount is donated by these staff in loving memories of their parents, grandparents. This practice surely is benevolent as on one hand it is a matter of privilege to pay tribute and respect to their beloved parents for whom they are respected by their students and on the other hand it inculcates among the students the motivational energy to do better in their exams and overall performance of the college. To mention Our founding father Principal Khudiram Bose's Great Grand daughter is also a contributing member of this Endeavour. The memorial prizes awarded to the students are given below in the attachment.
2. Community Services 'WE CARE': Spreading Happiness among the underprivileged section of the Locality. Our institution stands committed to our motto of Self Reliance, we extends our arms towards those who are less fortunate than us by organizing charity and donation events annually during the festive seasons to bring a smile to their faces. For this purpose the Principal, teaching community and support staffs as well as external members of the Governing Body contributes Fund whole heartedly without any dependence on any government or other agency for funding.
