

KHUDIRAM BOSE CENTRAL COLLEGE

An Action Taken Report on

ANTI-RAGGING CELL

(Academic Session: 2025-26)

Khudiram Bose Central College
71/2A, Bidhan Sarani, Kolkata - 700006

Annual Report of Anti-Ragging Cell (2025-2026)

The primary aims of Anti Ragging Cell of this College is to ensure creating a ragging free campus. The Cell continues to work in this direction following guidelines stated by UGC and is always vigilant in ensuring that the guidelines are strictly adhered to. Apart from the guidelines the Cell involves students in different activities that help them in channelising their potential in meaningful manner. Different activities are planned from time to time that involve students' participation. The College website has all details pertaining to anti-ragging measures as stated in the UGC guidelines regarding Anti Ragging.

- **The composition of the Anti-ragging Cell is as follows – and already displayed in college website.**

https://www.khudiramboscentralcollege.com/administration_anti_ragging.php

Saheb Ghosh, 2 nd Sem. B.A. (H), Student	Member
Ankita Sharma, 4 th Sem. B.Com. (G), Student	Member
Sri Prabhat Chatterjee, Guardian	Member (Guardian)

Measures Adopted:

- The College has adopted different measures to create a safe academic environment for students which includes
 1. Installation of CCTV cameras in each floor covering almost the entire College premises.
 2. Posters on anti-ragging throughout the College campus
 3. Grievance box where students can drop their complaints and maintain anonymity
 4. Students admitted to Semester I have to fill up the Anti Ragging affidavit. This is signed both by the respective student and guardian.
- Departments have the mentoring system that allows students to approach teachers without any inhibitions. Mentoring helps the student
 - Unburden their problems
 - Reduces their trauma

- Better coping with problems as they are guided out of problems by teachers
- Additional support, if required from the College

Anti – Ragging Cell Meeting:

College arranges meeting between Principal and guardians and Principal and students where active feedback from guardians and students are taken and subsequently acted upon. In this academic session four meetings have been conducted .

Activities Conducted:

- The Anti-ragging Cell arranges awareness programmes and talks to students the negative impact of ragging and why students need to stand in solidarity and refrain from any act that can stigmatise fellow students. This Cell encourages students to participate in the multiple activities that are arranged for their holistic development – sports, cultural activities, skill development courses, departmental programmes, etc...
- Sports activities as sports helps in
 - Stress Reduction
 - Boosts Self-Esteem & Confidence
 - Enhances emotional Stability
 - Reduces depression and anxiety
 - Builds up resilience and coping skills
 - Improves social interaction
- Cultural activities are -
 - Therapeutic in nature
 - Boosts creative energy of students
 - Adds to emotional well-being
 - Surges overall happiness
- Skill development programmes for students –
 - Provides Clarity & Direction
 - Boosts confidence
 - Develops coping skills
 - Encourages positive thinking
 - Provides a career path
 - Addresses secure career prospects
- The Anti-ragging Cell is always trying to make the students divert their attention to becoming positive in their approach to life. The Cell instills in the students the importance of education and to make students keen on education, the College has the good practice of ‘prize distribution’. This healthy competition among students makes them aware of the importance of competition and thereby keep them meaningfully engaged.
- During admission process each student of 1st semester B.A, B.Sc,B.Com Honours and general has filled up anti ragging affidavit .
- To build up awareness among the students Anti ragging cell of the college pasted posters focusing on punishments of ragging , psychological effect and physical trauma of ragging on the victim and also legal and social attitude towards ragger .
- On 1/12/25 Students’ Awareness on Anti ragging was organised where students were informed about anti-ragging rules and penalties.

- On 6th January 2026 a lecture was arranged by the cell for students on ragging and the need of creating a ragging free healthy campus environment. Near about 150 students participate in this programme..
https://www.khudirambosecentralcollege.com/gallery/gallery_images/2026/students_well_k_observation_programme_06012026.php
- Affidavits regarding Anti ragging are collected from newly admitted students of semester 1 B.A, B.SC and B.Com stream (2026-2027 session) during verification of their documents on month of June 2026.

Outcome

- No incidents of ragging were reported during the academic session.
- Students actively participated in awareness programmes.
- A healthy, safe, and inclusive campus environment was maintained.
- First-year students reported feeling secure and supported.

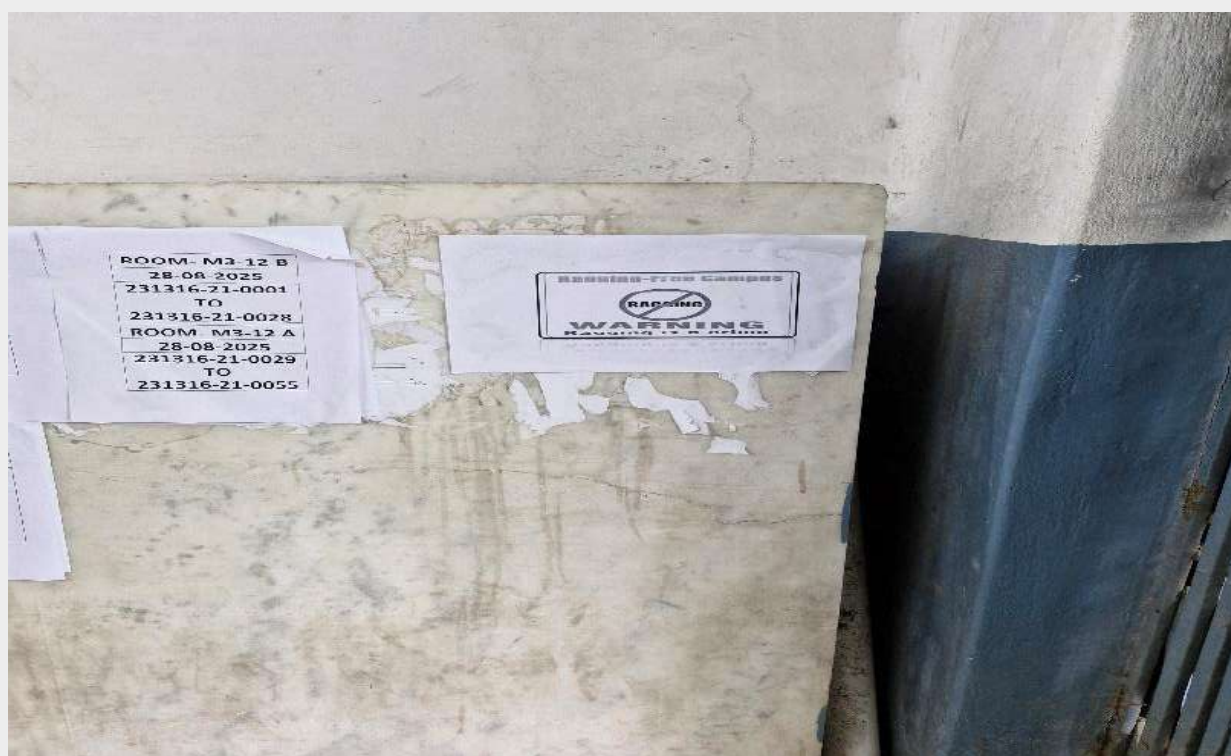

Some Glimpses of the Programme given below:

Awareness programme on 6th January 2026

Poster on students' Notice board regarding negative effects of ragging

Poster regarding zero tolerance policy of UGC as well as college towards ragging.

Conclusion

The Anti-Ragging Cell remained vigilant throughout the academic year and successfully implemented preventive measures to eliminate ragging. Continuous awareness programmes, regular monitoring, mentoring, and strict adherence to UGC regulations ensured a safe and friendly atmosphere on the campus. The Cell recommends continuing these initiatives in future academic sessions.
