“Where the mind is without fear
and the head is held high;
Where knowledge is free;
Where the world has not been broken up
into fragments by narrow domestic walls ...

RABINDRA NATH TAGORE”

The seed of success lies in the development of basic human character in child. The characteristics that define his personality and create a fuller human being in him. They have - command over Communication and Mental strength, Sportsmanship and Team Spirit, keenness to learn and experiment, an ability to appreciate various arts and a tendency to acquire further knowledge in various sciences or arts to make a living in addition to this, an attractive personality and knowledge of social etiquettes further enhances his chances of success in today's world. To achieve this end, **Khudiram Bose Central College** under the able guidance of the governing body of the College has created a comprehensive infrastructure and has combined it with an environment conducive to the development of each area of child's persona, with an objective of creating a scientific attitude, a creative bent of mind and a sensitive human being in him/her.

Special thanks to

Sri Asok Chaudhuri
President, Governing Body for his blessings,
support, guidance and affection.

Principal's Address

Dr. Subir Kumar Dutta
Principal

Students,

It is always an honour for me to introduce my College to new students. This College has a long history of serving the nation following the guidelines framed by our founder, Principal Khudiram Bose. We have adopted "self - reliance" as our motto and in every step initiated by the College our motto remains our North Star.

"A life spent making mistakes is not only more honourable, but more useful than a life spent doing nothing", said George Bernard Shaw. We in our college indulge our students to make mistakes as we believe there is no better teacher than the self. This is totally in line with our vision of self reliance. In order to be self reliant one has to learn to be courageous, responsible, open to criticism and have the ability to be a good team member. At Khudiram Bose Central College students are not just taught what the syllabus specifies but they are taught how to explore. This is not easy for them and neither is it easy for the teachers to channelize the students into such a thought pattern. But the KBCC (Khudiram Bose Central College) faculty is more than determined to give their students a little extra that will help them to become better individuals. The teaching faculty of this college is constantly trying to think of new techniques to make the syllabus more interesting for the students. Apart from the time tested chalk and board method and the system of class lecture, the teachers believe in being innovative. Inter departmental classes are arranged, departmental seminars are held, students are asked to prepare papers on different issues.

The college strongly believes that there must be a platform where a student can express his/her opinions without inhibitions. The college magazine called *The Light* offers this scope to the students. Apart from the college magazine each department has its own wall magazine which gets published annually. The departments conduct departmental seminars to inculcate among the students the value of research.

The College library is quite enriched with books, journals, magazines to help the students explore the knowledge world. Our library also has e-book studying facility. The College has Career and Placement Cell and Entry into Service Cell. These Cells play an active role in ensuring that students become familiar with the job market. Trainings, workshops and campus interviews are conducted on regular basis to facilitate the students.

Education is not just books and exams. We strongly believe a student's physical health

is instrumental in developing his mental health. The college strongly promotes sports as a co-curricular activity. Students participate not only in various Calcutta University sports events but also in programmes organized by other organizations. Many of our students have participated in various sports events at the National level and have secured commendable positions. Our college hosted the Inter College Non-Government athletes Meet two times. The college holds an Annual Sports Meet where not only students but also the members of the staff participate. In this context I would like to highlight that our Sports department organized a programme titled "Walk to Bangladesh" from 23rd March to 29th March 2018. This 'walk' was in honour of the Independence Day of Bangladesh, 26th March.. The 'walk' also commemorated 75 years of Quit India Movement launched by Mahatma Gandhi on 9th August 1942. Our 'walk' was a big success and we received accolades from Bangladesh government. Our mission to spread love and friendship among all transcended boundaries and we hope to think of such programmes in future.

The College successfully conducted "Swachh Bharat" programme and students and staff of the College came together to create awareness about cleanliness in the area surrounding the College. Scottish Church Collegiate School applauded our effort.

It is very often believed that the alumni happen to be the strongest pillar of any educational institution. Khudiram Bose Central College has a legacy of 121 years and is the Alma Mater of many illuminating star alumnae like freedom fighter and martyr Bagha Jatin, advocate Dwarikanath Bandyopadhyay, renowned teacher of English at Presidency University Tarakanath Sen, Poet Satyandranath Dutta, Artist Nandalal Basu and many more. It was on 9th April 2012, that the college first took the initiative and formed an internal alumni association named ---Punarnava. Every year this Committee organizes social service programme as an initiative to reach out to society at large.

We have conducted two NAAC visits -2007 and 2016. At both occasions the Peer Team Members were very positive about the future of this College and congratulated the members of the College in their untiring effort to translate the vision of our founding father into reality. The members of the College have never left any stone unturned to serve the primary stakeholders of the College.

PRINCIPAL KHUDIRAM BOSE (1853- 1929)

Founder of This College

Origin: Principal Khudiram Bose, the founder of Central College and School, was born on 12 May, 1853, at Sadipur village at Burdwan district in West Bengal. He was born to Late Gorachand Bose and Late Nistarini Bose. He came of a middle class family and hence had to fight against poverty in his student days.

Education: He read in Bangla Pathshala of his village. He also studied at Tamluk Hamilton High School and at Free Church Institution (Du College).

Influenced by : He was influenced by three sons of Bengal: Revolutionary Kalicharan Basu helped him to develop his faculties of reason; Brahmananda Keshab Chandra Sen mentored his religious beliefs and infused in him a sense of love for truth, and Pandit Iswar Chandra Vidyasagar showed him the path of self reliance. These human qualities were reflected in the thoughts and actions of our founder.

His work : Principal Bose along with Rastraguru Surendranath served as the senior Professor of Mental and Moral Science and Logic in Metropolitan Institution (now Vidyasagar College) under Pandit Iswar Chandra Vidyasagar. Khudiram Bose founded the Universal Institution (Central Institution) on 3rd June, 1894. Inspired by the spirit of self reliance, our founder rejected any extraneous financial help for the sustenance of the institution. The college was founded in 1894.

His Contribution : Our founder was a man of independent spirit. Those were the days of Boycott and Swadeshi movements . It was not easy to conduct meetings without defying the British Government. Our founder allowed his college building to be used for this purpose. He allowed his pupil, Acharya P.C. Roy, to conduct Swadeshi Exhibition in his college. Central College was the place for freedom fighters Bagha Jatin (also an alumni of the institution), Baidyanath Biswas, Nirmalkanti Roy and others. Central College compound was the place for Rakhi Bandhan Ceremony. Our founder was one of the founder members of the Council of the National University, established with a national spirit after the movement against partition of Bengal in 1905. A man of towering personality, Khudiram Bose was an untiring worker throughout his life.

He identified himself with this institution and worked for it till the time of his death. He passed away on 15 December, 1929. "...his life was one of the strenuous exertion and ceaseless fight for the good cause which he had taken up.

Professor Tarak Nath Sen, an illustrious teacher of English, who taught at Presidency College (now Presidency University) said, The Late Principal Khudiram Bose, founder of the institution, belonged to a generation, now past, of large hearted men who lived after large ideals. The lessons he had learnt in the conduct of life from the great Pandit Iswar Chandra Vidyasagar, he applied to noble social use in founding of this institution in 1894. Every year on 15 December (Founder's Birth Anniversary Day), the college pays tribute by observing Khudiram Bose Memorial Lecture . On this occasion the Annual Prize Distribution of the college also takes place.

ABOUT THE COLLEGE

Location of the College:

Khudiram Bose Central College is situated on Bidhan Sarani. It is between Bethune College and Scottish Church School. As the college is located on the main road, the students of this college enjoy quick availability of transport to any part of the city. Another conveyance the students enjoy is the easy access to Metro Station and Bidhan Nagar Railway Station.

CU Affiliation:

Khudiram Bose Central College is affiliated to University of Calcutta.

UGC Affiliation:

The college has received UGC affiliation under section 2F and 12B of the UGC Act in 1965. Due to this the college has become eligible to receive central assistance and grants for further development.

College Hours:

The B.A. & B.Sc. classes are held from 10.00 a.m. to 4.30 p.m. and the B.Com. classes are held from 11.30 a.m. to 4.30 p.m. Office is open from 10.00 a.m. to 4.30 p.m. The College Library is open during the college hours.

Academic Session:

The academic session of the college is normally from July to June of next year. But a new change has been introduced by University of Calcutta from this year. CU has introduced a three years semesterwise undergraduate courses. So for 1st year their will be two semesters *Semester-I (July - December)* & *Semester - II (January - June)*. Classes for 2nd and 3rd year begins as per CU old rules, within one week of the completion of theoretical examination under Calcutta University. Students of 2nd and 3rd Year have to take provisional admission before their classes begin.

Aims and Objectives:

The college always keeps in focus its motto self reliance. Every effort is taken by all the members of this college to enhance quality. The basic aim of our college is to provide the students with a need to face challenges in the job market. Every effort is taken to provide career guidance to the students. However, in its stride to equip the students with a sound career the college also builds humane consciousness in the students.

TEACHING METHODOLOGY

The teachers of this college take a deep interest in the academic orientation of the students. The basic objective behind teaching methodology is to maximise student performance. The teachers strictly follow the academic calendar prepared by them at the beginning of each academic year. There is a very healthy co-ordination between the teachers and the students and this facilitates learning. Another major advantage that helps the students is teacher accessibility beyond the boundary of the classroom - - the students are most welcome to come to the teachers any time, within the college hours, with their problems.

The teachers of this college gives priority to update its students by collecting data and information from internet and also insists the students to browse important internet sites related to their studies. Besides the teachers also have adopted following modern methods of making the classroom teaching more interesting and interactive. The methods are as follows:

Audio-Visual Aids:

In order to make the learning process more interesting and interactive the classes are often conducted in the laboratories of the department of Journalism and Mass Communication, Geography and other departments. These departments are also being conducted with the help of computers. These departments

Educational Tours:

As per CU norms the Geography department of the college conducts an excursion tour every year for their students as part of their course requirement. But the department of Political Science and Education also started conducting educational tours since 2012. In last few academic sessions, the department of History visited **Indian Museum**. The department of English visited **Birla Museum and Technology**, the department of Political Science visited **Bidhan Sabha** and the department was joined by JMC, Hindi and Education departments of the college. Also another educational tour was jointly conducted by the department of Journalism and Mass Communication and Political Science to Birla Museum. Apart from Geography, these tours are sometimes totally financially supported by college and sometimes they are self-financed tours by the departments. Last year the Department of Commerce took their students to SBI Samriddhi Bhavan and visited their Archive Section.

Inter departmental Programmes:

In order to enrich the campus life and develop quality teaching among the students, the departments like JMC, Pol.Sc., Education, English organises inter departmental and collaborative programmes and provides the scope of knowing each other well and thereby building a sense of community participation among them.

Film Screening:

Another new mode of teaching adopted by few departments of the college is to show films to the students relevant and based on the theme related to their course. For example, the department of English organises Classic English Movies; the department of JMC prepares and shows documentaries and shortfilms. The department of Political Science also organises film screening based on political relevance for their students.

Dramatised Version of Teaching:

The department of Hindi has adopted new process of teaching and learning in the way of drama enactment on a piece or novel based on and from their syllabus. For example, in recent past a drama was enacted by the department students on the piece named "**Bholaram ka Jeev**". The drama was enacted on the occasion of Swami Vivekananda's 150th Birth Anniversary Programme.

Wall Magazine:

These magazines are for students. The students are assisted and insisted by the teachers to enhance their creative mind and talents in form of these magazines where they are required to search materials from internet, showcase thought provoking write-ups and information. Different department have their own wall magazines. The names of the wall magazines are as follows:

Department of Education ---- EDUCATUM

Department of Political Science ---- AGRADUT

Department of Journalism & Mass Comm. --- DIGANTA

Department of Commerce --- SAPTAPARNI

Department of Bengali ---- BANGLA BIBHAGIO PATRIKA

Department of History ---- UTTARAN

Department of Hindi --- ABHIVYAKTI

Department of English ---- MOHANA and also CHOKHER ALOE VISION BEYOND

(Since 2010, it started publishing its own departmental magazine in which not only English departments but also other departments are welcome to contribute to this magazine.)

Publication:

The College annually publishes Students Magazine - THE LIGHT in which the students can contribute any Article, Paper, Poem, Story, Drawings etc. in any language of their choice. The teachers also boost up their students to contribute which in a way enriches their writings skills.

INFRASTRUCTURAL AND OTHER FACILITIES IN THE COLLEGE

Library

The college library aims to provide information to the students for developing their sphere of knowledge. The collection of books in the library is in keeping with the subjects of humanities, science and commerce taught in the college. The total collection of library books is more than 18,000 with the assistance of UGC, W.B. Govt. Book Grant and College Fund. There are books on various subjects of Humanities, sciences, commerce and general areas. Books on different competitive exams are also in the library. The students who have borrowed can issue up to five books and students in the General course can issue up to three books at a time. No other college provides this facility to its students.

Virtual and Smart Class Rooms :

The College has well equipped virtual and smart class rooms.

Wi-Fi Campus :

Our college provides the facility of Wi-Fi in the entire premises of the College

Kanyashree Prakalpa:

Prof. Sheuli Biswas Adhikary, Department of Education and Professor Prinkya Sengupta, Department of Geography jointly is in charge of this unit.

Tutorial Classes:

Each department has Tutorial Classes for the students. These classes are very important as the students get maximum scope to clear their doubts regarding the subject. The teachers are also able to measure the academic performance of the students and help the students to get a better grasp of the subjects.

Parent Teachers Meet:

The college arranges Parents Teachers meeting once a year usually in the month of Dec/Jan for all the students. This meeting is held with a certain objective to make the parents/guardians aware of the performance of their wards. As the college believes in steady progress this meeting gives ample scope to the parents/guardians to put forward their views regarding betterment of the college. Frank interaction between parents/guardians and teachers and the principal help their wards to perform better. The department also holds parent teachers meet half yearly after the unit test exam of the college.

Counseling:

The college arranges counseling for students who cannot handle the pressure of their syllabus. Through counselling the student is able to overcome his/her problem.

Fee Concession:

There is a system of fee concession for needy but academically promising students. There is a committee to consider the issue of fee concession to needy and meritorious students.

Students Health Home:

Khudiram Bose Central College is an institutional member of Students Health Home. The college makes arrangement for the students to avail themselves of modern and free treatment facilities in the students health home at heavily subsidized rate. The nearest centre is S.A.Jaipuria College. The students get medical advice in different fields --- Eye, Dental, ENT, Skin, Orthopedics, Neurology, Cardiology, Psychiatry, Gynecology, Medicine and Surgery. The health home is open from 4.00 p.m to 6.00 p.m. Monday to Friday and from 3.00 p.m to 5.00 p.m on Saturday.

Canteen:

The college has a subsidized canteen that offers a wide range of food. The college ensures that the quality of food is never compromised.

Students Union:

The college has a democratically elected students body. The students union and the college administration share a very happy relation and the union plays a major role in maintaining healthy atmosphere in the college. The suggestion and opinions of the students union are instrumental to the development of the college. This body also plays a key role in ensuring that students maintain discipline in the college.

The students union of this college plays a very positive role in serving the community. KBCC Students Union has its own slogan Union by the students, for the students, of the students. The Students Union also organises Freshers Welcome, Saraswati Puja, Annual Social Function and Annual Sports.
