WELCOME TO KHUDIRAM BOSE CENTRAL COLLEGE

PRINCIPAL'S MESSAGE

DR. MD.AFSAR ALI

Every child is born with diversely vast potentialities. It is the duty of the education system in general and the educational institutions in particular to provide the just congenial environment to these blooming buds to become the complete flowers. As without the timely supply of required quantity and quality of water, sunlight, temperature, moisture and soil nutrition no bud can become flower, rather it will dry off its all good potentialities to just shed from the tree, - so is the case of the human children (human buds). They have every potentiality to become complete and worth full human resource, but it is the duty of the educational institution as the garden and the teachers as the gardeners to protect and nourish these young, full of potential human buds to become complete human being by providing them required quality and quantity of materials and services for the development of their 4H (i. e. Head means knowledge, Heart means humanity, Hands means skill and Health). My teaching fraternity as the best gardeners are here to give the best gardener's care to the human buds. As the best human resource of this College, they ensure that every bud can bloom into a beautiful flower to spread satisfying fragrance to our society. This is the ultimate aim of education we are catering.

The role of the office staffs as the service provider to this human garden plays very important role in timely quenching the needs in this human resource formation process. They are dedicated to provide hassle-free timely services to ensure the process hitting its target.

The Governing Body as the highest decision-making platform enriched with eminent educationists, scholars and the best Human resources acts as the guiding force to lead the whole team of the College to its above fixed destination.

The student community is the most important part of any educational institution, so is for this College. All the affairs of the College are solely meant for the development and/ or betterment of this community. So, the students need to be conscious, careful and cooperative about their own benefit.

Lastly, the role of the real society outside the College campus is very deciding in reaching the College to its set objectives. It is the society which nourishes, protects, sustains and patronises the educational institutions. Society sends its children to the educational institutions with justifiably high hopes and expectations. It is the duty of the educational institutions to honour these hopes and expectations. As well as the duty lies with the society also to ensure the right type and congenial environment in and around the institutions as that the process of flowering the society's human buds into full-fledged human flowers (human resources) should not be disturbed at any cost.

Myself, Dr. Md. Afsar Ali, the Principal of this Khudiram Bose Central College is serving the role of the overall Supervisor and Guide under the wisely framed policies by the Governing Body. I wish dedicated, earnest effort up-to the limit from each component of this College discussed above, in order to achieve the set aim of complete human resource development of the human buds in this Khudiram Bose Central College garden, and thus spread the fragrance of development to even the far away conner of human civilization. Any section(s) is/are always welcome to my table to remove the hindrance(s), if any, as and when arises in the path of achieving the set aim of this institution. I ensure all to extend my help as the Principal of this College.

**With Best Regards,
Dr. Md. Afsar Ali
Principal**

FOUNDER OF THIS COLLEGE

PRINCIPAL KHUDIRAM BOSE

(1853- 1929)

Origin: Principal Khudiram Bose, the founder of Central College and School, was born on 12 May, 1853, at Sadipur village at Burdwan district in West Bengal. He was born to Late Gorachand Bose and Late Nistarini Bose. He came of a middle class family and hence had to fight against poverty in his student days.

Education: He read in Bangla Pathshala of his village. He also studied at Tamluk Hamilton High School and at Free Church Institution.

Influenced by : He was influenced by three sons of Bengal: Revolutionary *Kalicharan Banerjee* helped him to develop his faculties of reason; *Brahmananda Keshab Chandra Sen* moulded his religious beliefs and infused in him a sense of love for truth, and *Pandit Iswar Chandra Vidyasagar* showed him the path of self reliance. These human qualities were reflected in the thoughts and actions of our founder.

His work : Principal Bose along with Rastraguru Surendranath served as the senior Professor of Mental and Moral Science and Logic in Metropolitan Institution (now Vidyasagar College) under Pandit Iswar Chandra Vidyasagar. Khudiram Bose founded the Universal Institution (Central Institution) on 3rd June, 1894. Inspired by the spirit of self reliance, our founder rejected any extraneous financial help for the sustenance of the institution. The college was founded in 1894.

His Contribution : Our founder was a man of independent spirit. Those were the days of Boycott and Swadeshi movements . It was not easy to conduct meetings without defying the British Government. Our founder allowed his college building to be used for this purpose. He allowed his pupil, Acharya P.C. Roy, to conduct Swadeshi Exhibition in his college. Central College was the place for freedom fighters Bagha Jatin (also an alumni of the institution), Baidyanath Biswas, Nirmalkanti Roy and others. Central College compound was the place for Rakhi Bandhan Ceremony. Our founder was one of the founder members of the Council of the National University, established with a national spirit after the movement against partition of Bengal in 1905. A man of towering personality, Khudiram Bose was an untiring worker throughout his life.

He identified himself with this institution and worked for it till the time of his death. He passed away on 15 December, 1929. "...his life was one of the strenuous exertion and ceaseless fight for the good cause which he had taken up.

Professor Tarak Nath Sen, an illustrious teacher of English, who taught at Presidency College (now Presidency University) said, The Late Principal Khudiram Bose, founder of the institution, belonged to a generation, now past, of large hearted men who lived after large ideals. The lessons he had learnt in the conduct of life from the great Pandit Iswar Chandra Vidyasagar, he applied to a noble social use in founding of this institution in 1894. Every year on 15 December (Founder's Death Anniversary Day), the college pays tribute by observing

ABOUT THE COLLEGE

Location of the College :

Khudiram Bose Central College is situated on Bidhan Sarani. It is between Bethune College and Scottish Church School. As the college is located on the main road, the students of this college enjoy quick availability of transport to any part of the city. Another conveyance the students enjoy is the easy access to Metro Station and Bidhan Nagar Railway Station.

CU Affiliation:

Khudiram Bose Central College is affiliated to University of Calcutta.

UGC Affiliation:

The college has received UGC affiliation under section 2F and 12B of the UGC Act in 1965. Due to this the college has become eligible to receive central assistance and grants for further development.

College Hours:

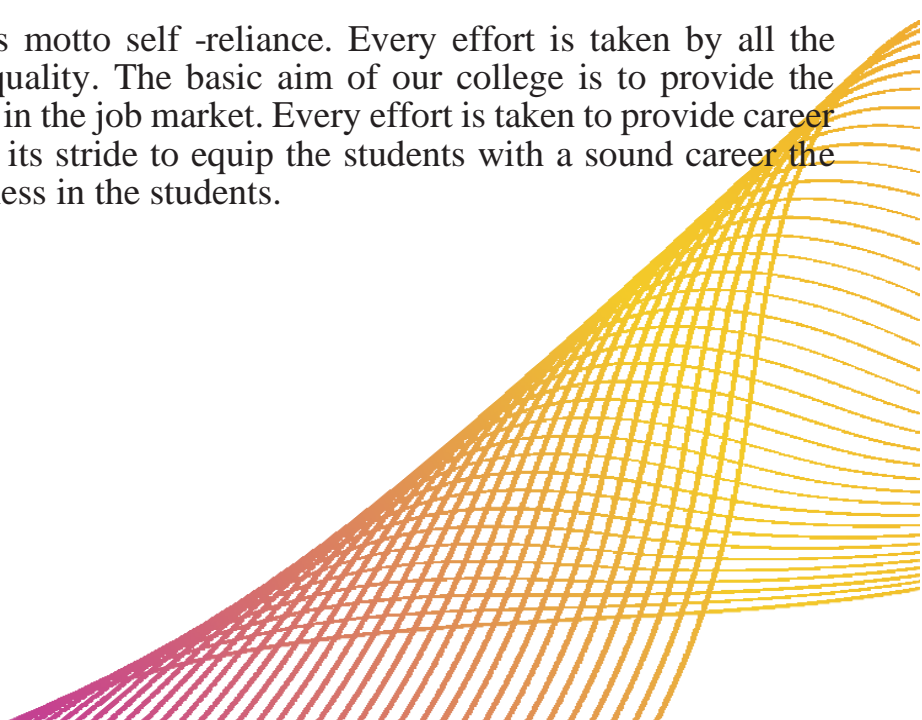

The B.A. / B.Sc/B.com. classes are held from 10.00 a.m. to 5.15 pm. Office is open from 10.00 a.m. to 5.00 p.m. The College Library is open during the college hours.

Academic Session:

The academic session of the college is normally from July to June of each year. But a new change has been introduced by University of Calcutta from 2022 under New Education Policy, 2020. CU has introduced a four years semester - wise undergraduate courses Major Courses and three years Multidisciplinary Courses. In each year there will be two semesters (July – December, Odd Semester) & (January – June, Even Semester).

Aims and Objectives:

The college always keeps in focus its motto self -reliance. Every effort is taken by all the members of this college to enhance quality. The basic aim of our college is to provide the students with a need to face challenges in the job market. Every effort is taken to provide career guidance to the students. However, in its stride to equip the students with a sound career the college also builds humane consciousness in the students.

TEACHING METHODOLOGY

The teachers of this college take a deep interest in the academic orientation of the students. The basic objective behind teaching methodology is to maximise student performance. The teachers strictly follow the academic calendar prepared by them at the beginning of each academic year. Another major advantage that helps the students is teacher accessibility beyond the boundary of the classroom - - the students are most welcome to come to the teachers any time, within the college hours, with their problems. Besides the teachers also have adopted following modern methods of making the classroom teaching more interesting and interactive. The methods are as follows:

Audio- Visual Presentation:

In order to make the learning process more interesting and interactive the classes are often conducted by the projector by most of the departments. Mostly all the departments have the audio-visual presentation facility. The departments of Geography, Journalism and Mass Communication and Commerce have separate computer laboratories.

Educational Tours:

As per CU norms in the Geography curriculum, the department of the college conducts an excursion tours every year for their students as part of their course requirement. But the department of Political Science and Education also started conducting educational tours since 2012. In last few academic sessions, the department of History visited *Indian Museum*. The department of English visited *Birla Museum and Technology*, the department of Political Science visited *Bidhan Sabha* and the department was joined by JMC, Hindi and Education departments of the college. In the past years educational tour was jointly conducted by the department of Journalism and Mass Communication and Political Science to Birla Museum. Apart from Geography, these tours are sometimes totally financially supported by college and sometimes they are self-financed tours by the departments. The department of Commerce and Economics also visited the archive section of SBI, Samriddhi Bhavan and also different industry as part of their educational tour.

Inter departmental Programmes:

In order to enrich the campus life and develop quality teaching among the students, the departments like JMC, Pol.Sc., Education, English, Bengali organises inter departmental and collaborative programmes and provides the scope of knowing each other well and thereby building a sense of community participation among them.

Film Screening:

Another new mode of teaching adopted by few departments of the college is to show films to the students relevant and based on the theme related to their course. For example, the department of English organises Classic English Movies; the department of JMC prepares and shows documentary and short films. The department of Political Science also organises film screening based on political relevance for their students.

Dramatised Version of Teaching:

The department of Hindi has adopted new process of teaching and learning in the way of drama enactment on a piece or novel based on and from their syllabus. For example, in recent past a drama was enacted by the department students on the piece named "*Bholaram ka Jeev*", *Life and Work of Swami Vivekananda*, *Andher Nagari* and like.

Wall Magazine:

These magazines are for students. The students are assisted and insisted by the teachers to enhance their creative mind and talents in form of these magazines where they are required to search materials from internet, showcase thought provoking write-ups and information. Different department have their own wall magazines. The names of the wall magazines are as follows:

Department of Education -----EDUCATUM

Department of Political Science ----AGRADUT

Department of Journalism & Mass Comm ---- DIGANTA

Department of Commerce ----SAPTAPARNI

Department of Bengali ---- BANGLA BIBHAGIO PATRIKA

Department of History -----UTTARAN

Department of Geography – THE EARTH

Department of English -----MOHANA and also CHOKHER ALOE VISION BEYOND

(Since 2010, it started publishing its own departmental magazine in which not only English departments but also other departments are welcome to contribute to this magazine.)

Publication:

The College annually publishes Students Magazine - THE LIGHT in which the students can contribute any Article, Paper, Poem, Story, Drawings etc. in any language of their choice. The teachers also boost up their students to contribute which in a way enriches their writings skills.

INFRASTRUCTURAL AND OTHER FACILITIES

Library

The college library tries to provide information to the students for developing their sphere of knowledge. The collection of books in the library is in keeping with the subjects of humanities, science and commerce taught in the college. The total collection of library books is more than 19,000 with the assistance of UGC, W.B. Govt. Book Grant and College Fund. There are books on various subjects of humanities, science, commerce and general areas. Books on different competitive exams are also in the library. The students who have Honours can issue up to five books and students in the General course can issue up to three books at a time. No other college provides this facility to its students.

SEMINARS AND WORKSHOPS

Seminars are organised in the college and the students have a very positive role in organization of such seminars and workshops. These seminars and workshops are conducted by different departments of the college and experts from different universities, colleges and also other sectors are invited so that students get an exposure in diverse areas of their subject. Seminars within the departments are also held where students present papers before the whole class. These intra departmental seminars are arranged by the concerned departments so that the students learn how to do research work. In the past five years numerous activities, seminars, lectures, awareness programmes have been organized by different departments of this college. The reports with pictures are already uploaded in the college website(www.khudirambosecentralcollege.com)
