WELCOME TO KHUDIRAM BOSE CENTRAL COLLEGE

PRINCIPAL'S ADDRESS

Dr. Subir Kumar Dutta
Principal

Students,

It is always an honour for me to introduce my College to new students. This College has a long history of serving the nation following the guidelines framed by our founder, Principal Khudiram Bose. We have adopted "self - reliance" as our motto and in every step initiated by the College our motto remains our North Star.

"A life spent making mistakes is not only more honourable, but more useful than a life spent doing nothing", said George Bernard Shaw. We in our college indulge our students to make mistakes as we believe there is no better teacher than the self. This is totally in line with our vision of self reliance. In order to be self reliant one has to learn to be courageous, responsible, open to criticism and have the ability to be a good team member. At Khudiram Bose Central College students are not just taught what the syllabus specifies but they are taught how to explore. This is not easy for them and neither is it easy for the teachers to channelize the students into such a thought pattern. But the KBCC (Khudiram Bose Central College) faculty is more than determined to give their students a little extra that will help them to become better individuals. The teaching faculty of this college is constantly trying to think of new techniques to make the syllabus more interesting for the students. Apart from the time tested chalk and board method and the system of class lecture, the teachers believe in being innovative. Inter departmental classes are arranged, departmental seminars are held, students are asked to prepare papers on different issues.

The college strongly believes that there must be a platform where a student can express his/ her opinions without inhibitions. The college magazine called The Light offers this scope to the students. Apart from the college magazine each department has its own wall magazine which gets published annually. The departments conduct departmental seminars to inculcate among the students the value of research.

The College library is quite enriched with books, journals, magazines to help the students explore the knowledge world. Our library also has e-book studying facility. The College has Career and Placement Cell and Entry into Service Cell. These Cells play an active role in ensuring that students become familiar with the job market. Trainings, workshops and campus interviews are conducted on regular basis to

facilitate the students.

Education is not just books and exams. We strongly believe a student's physical health is instrumental in developing his mental health. The college strongly promotes sports as a core area. Students participate not only in various Calcutta University sports events but also programmes organized by other organizations. Many of our students have participated in various sports events at the National level and have secured commendable positions. Our college hosted the Inter College.

Non-Government athlets Meet two times. The college holds Annual Sports Meet where not only students but also the members of the staff participate. *In this context I would like to highlight that our Sports department organized a programme titled "Walk to Bangladesh" from 23rd March to 29th March 2018.* This 'walk' was in honour of the Independence Day of Bangladesh, 26th March.. The 'walk' also commemorated 75 years of Quit India Movement launched by Mahatma Gandhi on 9th August 1942. Our 'walk' was a big success and we received accolades from Bangladesh government. Our mission to spread love and friendship among all transcended boundaries and we hope to think of such programmes in future.

The College successfully conducted "Swach Bharat" programme and students and staff of the College came together to create awareness about cleanliness in the area surrounding the College. Scottish Church Collegiate School applauded our effort.

It is very often believed that the alumni happen to be the strongest pillar of any educational institution. Khudiram Bose Central College has a legacy of 121 years and is the Alma Mata of many illuminating star alumnae like freedom fighter and martyr Bagha Jatin, advocate Dwarikanath Bandyopadhyay, renowned teacher of English at Presidency University Taraknath Sen, Poet Satyandranath Dutta, Artist Nandalal Basu and many more. It was on 9th April 2012, that the college first took the initiative and formed an internal alumni association named ---Punarnava. Every year this Committee organizes social service programme as an initiative to reach out to society at large.

We have conducted two NAAC visits -2007 and 2016. At both occasions the Peer Team Members were very positive about the future of this College and congratulated the members of the College in their untiring effort to translate the vision of our founding father into reality. The members of the College have never left any stone unturned to serve the primary stakeholders of the College.

PRINCIPAL KHUDIRAM BOSE (1853- 1929)

Founder of This College

Origin: Principal Khudiram Bose, the founder of Central College and School, was born on 12 May, 1853, at Sadipur village at Burdwan district in West Bengal. He was born to Late Gorachand Bose and Late Nistarini Bose. He came of a middle class family and hence had to fight against poverty in his student days.

Education: He read in Bangla Pathshala of his village. He also studied at Tamluk Hamilton High School and at Free Church Institution.

Influenced by : He was influenced by three sons of Bengal: Revolutionary *Kalicharan Banerjee* helped him to develop his faculties of reason; *Brahmananda Keshab Chandra Sen* moulded his religious beliefs and infused in him a sense of love for truth, and *Pandit Iswar Chandra Vidyasagar* showed him the path of self reliance. These human qualities were reflected in the thoughts and actions of our founder.

His work : Principal Bose along with Rastraguru Surendranath served as the senior Professor of Mental and Moral Science and Logic in Metropolitan Institution (now Vidyasagar College) under Pandit Iswar Chandra Vidyasagar. Khudiram Bose founded the Universal Institution (Central Institution) on 3rd June, 1894. Inspired by the spirit of self reliance, our founder rejected any extraneous financial help for the sustenance of the institution. The college was founded in 1894.

His Contribution : Our founder was a man of independent spirit. Those were the days of Boycott and Swadeshi movements . It was not easy to conduct meetings without defying the British Government. Our founder allowed his college building to be used for this purpose. He allowed his pupil, Acharya P.C. Roy, to conduct Swadeshi Exhibition in his college. Central College was the place for freedom fighters Bagha Jatin (also an alumni of the institution), Baidyanath Biswas, Nirmalkanti Roy and others. Central College compound was the place for Rakhi Bandhan Ceremony. Our founder was one of the founder members of the Council of the National University, established with a national spirit after the movement against partition of Bengal in 1905. A man of towering personality, Khudiram Bose was an untiring worker throughout his life.

He identified himself with this institution and worked for it till the time of his death. He passed away on 15 December, 1929. "...his life was one of the strenuous exertion and ceaseless fight for the good cause which he had taken up.

Professor Tarak Nath Sen, an illustrious teacher of English, who taught at Presidency College (now Presidency University) said, The Late Principal Khudiram Bose, founder of the institution, belonged to a generation, now past, of large hearted men who lived after large ideals. The lessons he had learnt in the conduct of life from the great Pandit Iswar Chandra Vidyasagar, he applied to a noble social use in founding of this institution in 1894. Every year on 15 December (Founder's Death Anniversary Day), the college pays tribute by observing Khudiram Bose Memorial Lecture .
