***Report on Feedback for Semester 6 Students (Batch 2020-2023)***

**Objective:**

The objective of the feedback collected from the students at the end of the semester, was:

- a) To get an estimation from the outgoing Semester 6 students about their 3-year academic experience and extracurricular activities in the college.
- b) To understand the difficulties that the students encountered during their college years.
- c) To find means and ways to make the classes interesting for the students- How can we (the teachers) make the classes more interactive? How can we ensure students active participation in the classroom and help them nurture their career aspirations?
- d) To recognize areas where we can make improvements in our teaching methods and apply that to our future semesters.

**Mode of Feedback:**

The feedback was conducted via google form, where the students had to answer a set of 10 questions. Some of the questions were objective (Yes/No) while in some questions students had to type out their suggestion/experience.

The questionnaire was completely anonymous in order to get the most honest answer from the students regarding their experience with the classes as well as the performance of each and every teacher in the department during the given semester.

**Participation:**

The questionnaire was filled by the outgoing Semester 6 Honours students of the English Department. Since this is the batch that has had exposure to both online and offline modes of teaching, their feedback regarding classes, teaching methods, extra-curricular activities, are indeed valuable.

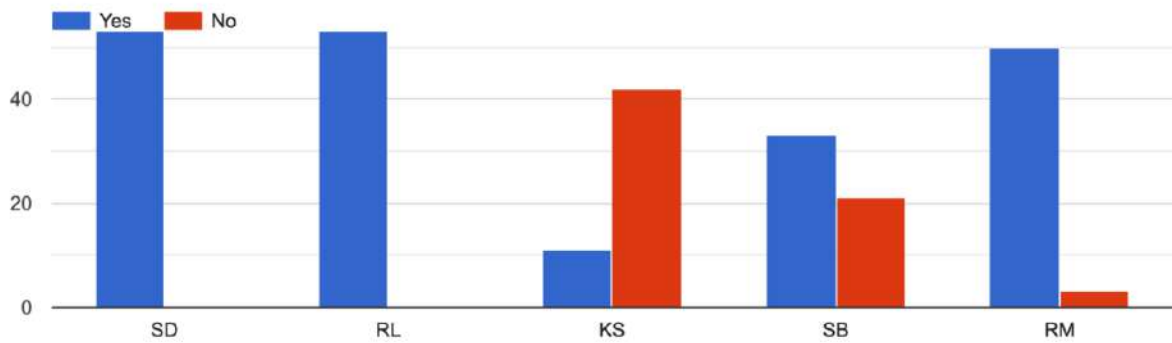

**Responses:**

The students were asked a number of questions related to the completion of the syllabus, the regularity of the classes, the punctuality of the teachers, the availability of the teachers to help the students outside of the classroom space and help them with their individual problems and their overall academic experience.

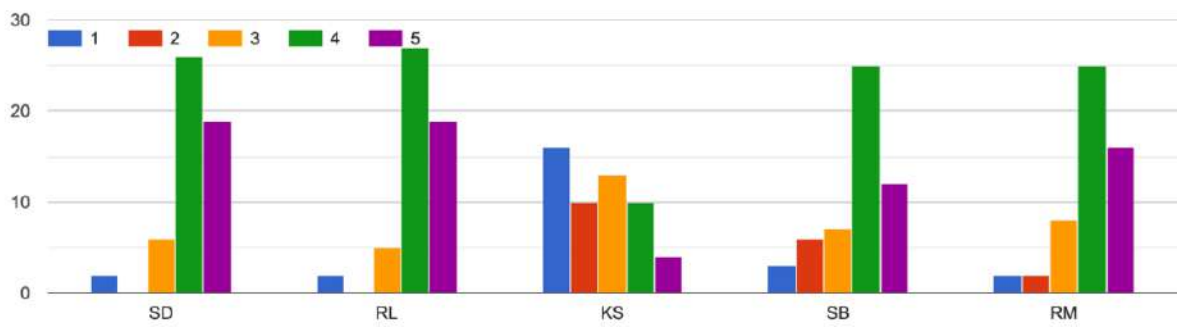

The students also had to give their ratings in certain questions, where the number on the scale represented:

- 1= Poor
- 2= Fair
- 3=Good
- 4=Very Good
- 5=Excellent

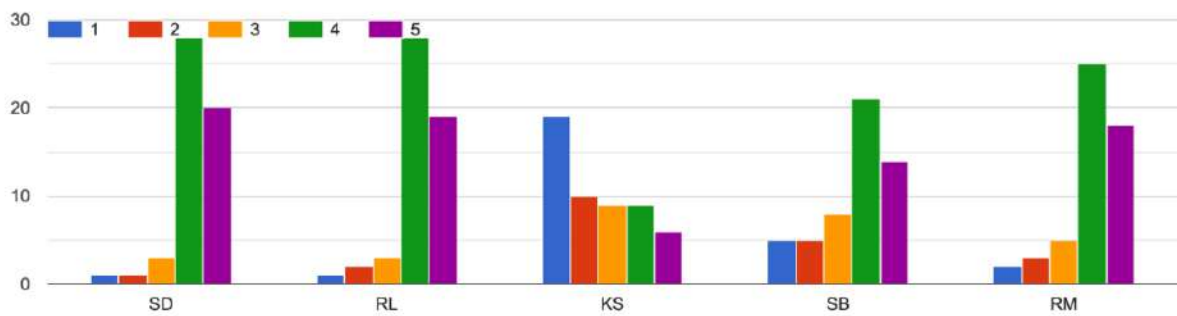

1. Did the teachers cover the entire syllabus as prescribed by University?

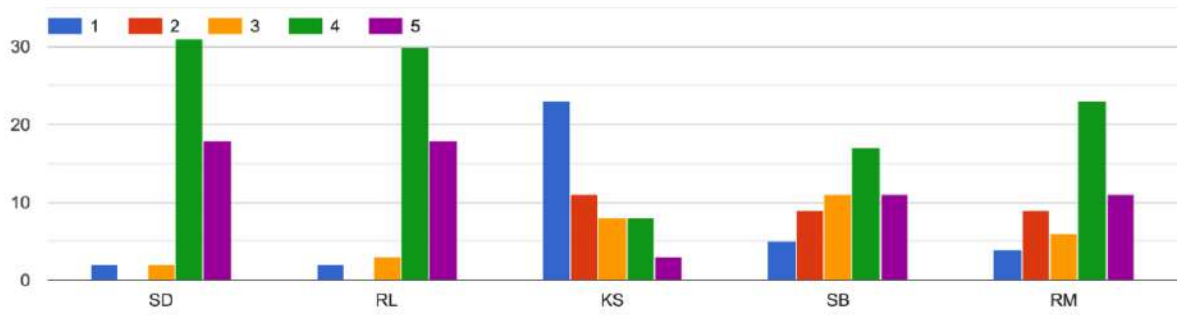

2. Teachers knowledge regarding course content :

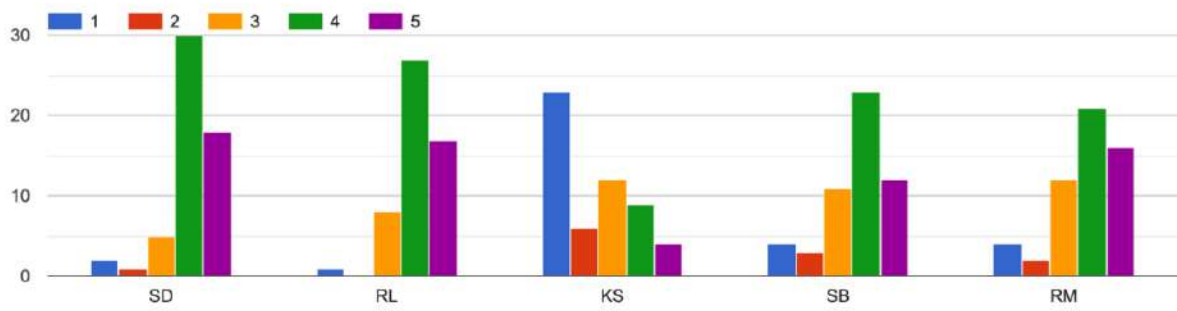

3. Communication Skill of the teacher :

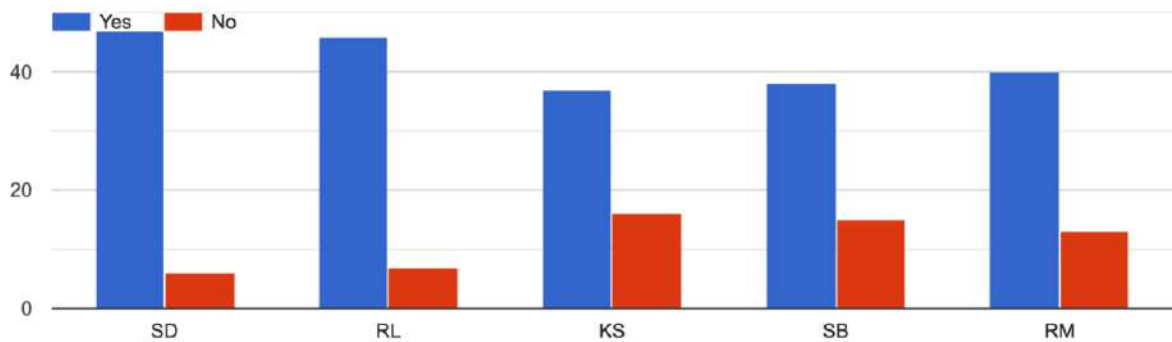

4. Punctuality of the teacher:
