## HAR GHAR TIRANGA WEEK 2026

9 AUGUST – 17 AUGUST 2026

### INTRODUCTION

The Har Ghar Tiranga initiative is initiated to encourage citizens to develop a personal and collective connection with the National Flag and to proudly display the Tiranga as a symbol of India's independence, unity and shared national identity. The initiative seeks to transform the National Flag from a primarily formal and institutional symbol into an expression of everyday patriotism and collective responsibility, while also promoting awareness of the history and significance of the Tiranga. In 2026, the Government of West Bengal is observing a State-wide Har Ghar Tiranga campaign from 9 August to 17 August 2026, extending the spirit of the initiative through community and institutional participation across the State. In this spirit, Khudiram Bose Central College, under the guidance and leadership of Dr Md. Afsar Ali (Principal) through its National Service Scheme (NSS) (Program Officer – Dr Sheuli Biswas Adhikary) and National Cadet Corps (NCC) (Associate NCC Officer – Lt. Dr Supreeta Mehta) Units, has planned a week-long program comprising patriotic and participatory activities designed to foster national pride, civic consciousness, creativity and unity among students and members of the college community.

### WEEK-LONG PROGRAMME SCHEDULE

The poster for the Har Ghar Tiranga Programme at Khudiram Bose Central College features the college's name and address (71/2A, Bidhan Sarani, Kolkata - 700006) at the top. It prominently displays the Indian national flag and the Ashoka Chakra. The text 'HAR GHAR TIRANGA PROGRAMME' is written in large, bold letters, followed by the dates '9TH AUGUST - 17TH AUGUST 2026'. Below this, it mentions the initiative is from the Government of India and West Bengal, and is organized by the NSS and NCC units of the college. A table titled 'WEEK-LONG PROGRAMME SCHEDULE' lists the daily activities, including a CM rally, a Prabhat Pheri, a painting competition, making Tiranga-themed rangoli, and a celebration of Independence Day with a Shrut Natak performance. The Principal, Dr Md Afsar Ali, is shown at the bottom, along with a quote: 'Let us unite to celebrate freedom, honour the nation and make every home a proud home of the Tiranga.'

Principal

Let us unite to celebrate freedom, honour the nation  
and make every home a proud home of the Tiranga.

### Event 1 (10/08/2026): Participation in the Har Ghar Tiranga CM Rally

The first event of the Har Ghar Tiranga Week was the Har Ghar Tiranga Rally organised by the Government of West Bengal on 10 August 2026 at Kolkata. The rally formed part of the wider Har Ghar Tiranga initiative and was organised by the Government of West Bengal to promote the spirit of patriotism, national unity and collective pride in the Tricolour. The rally commenced from the Netaji Statue on Mayo Road and proceeded towards the Victoria Memorial area, with a large number of citizens participating while carrying the National Flag.

Khudiram Bose Central College actively participated in the rally, with a total of 38 members comprising faculty members and students joining the programme. The participants carried the National Flag and took part in the rally with enthusiasm and patriotic spirit, representing the college in the State-level observance. Their participation provided an opportunity for students and faculty to engage directly in a large-scale civic initiative centred on the values of national integration, unity and respect for the National Flag. The participation of the college community also reflected the commitment of the NSS and NCC Units of Khudiram Bose Central College towards encouraging responsible citizenship and meaningful participation in programmes of national significance.

## Event 2 (11/08/2026): Prabhat Pheri

As part of the Har Ghar Tiranga Week, a Prabhat Pheri was organised by the NCC (National Cadet Corps; Associate NCC Officer – Lt. Dr Supreeta Mehta) and NSS (National Service Scheme; Programme Officer – Dr Sheuli Biswas Adhikary) Units of Khudiram Bose Central College on 11 August 2026. The activity was conceived as a patriotic community outreach programme, providing students and members of the college community an opportunity to take the message of national pride and unity beyond the institutional premises. Prabhat Pheris have traditionally served as a means of bringing communities together through collective participation, patriotic songs and messages of national consciousness, and the activity formed an important component of the week-long Har Ghar Tiranga observance.

The participants proceeded from the college campus with the National Flag, creating an atmosphere of enthusiasm and patriotic fervour while spreading the message of freedom, unity, national integration and respect for the Tiranga. The programme also provided students with an opportunity to experience patriotism as a form of active civic participation rather than merely a ceremonial observance. Through their enthusiastic involvement, the students contributed to the larger objective of the Har Ghar Tiranga initiative and reinforced the college's commitment to fostering responsible citizenship, national consciousness and community engagement.

### PHOTOS OF THE DAY

### **Event 3: Painting/ Poster Competition and Educational Visit to Lok Bhavan**

As part of the Har Ghar Tiranga Week, a Painting/Poster Competition was organised at Khudiram Bose Central College on 12 August 2026, on the theme “History, Evolution and Significance of the National Flag. The competition provided students with an opportunity to explore the historical journey and symbolic significance of the Tiranga through creative expression. Students participated enthusiastically, producing paintings and posters that reflected themes of patriotism, national unity, the freedom struggle and the enduring significance of the National Flag. The creative works produced during the competition were subsequently exhibited on the occasion of Independence Day on 15 August 2026, thereby allowing the wider college community to appreciate the students’ artistic interpretations of the nation’s flag and its history. Such activities complemented the larger objective of Har Ghar Tiranga, which seeks to foster a deeper and more personal connection with the National Flag while encouraging civic pride and awareness of its significance.

#### **PHOTO OF THE DAY**

The day also coincided with an educational visit to Lok Bhavan, Kolkata, undertaken by faculty members of the Departments of Political Science, History and Education, along with students from the respective departments. During the visit, the participants had the opportunity to view an exhibition featuring historical artefacts associated with the period of India’s independence struggle. The exhibition provided an important historical and educational context to the Har Ghar Tiranga observance, enabling students to connect the National Flag with the wider history of India’s freedom movement and the sacrifices that contributed to the attainment of independence. The visit thus complemented the painting and poster competition by combining creative engagement with historical learning, encouraging students to understand the Tiranga not merely as a national symbol but as an embodiment of the struggles, aspirations and collective identity of the Indian people.

## PHOTOS OF THE DAY

#### **Event 4: Making of Tricolour Rangoli**

As part of the Har Ghar Tiranga Week, the NCC Unit of Khudiram Bose Central College organised a Tricolour Rangoli-making activity under the guidance of ANO Lt. Dr Supreeta Mehta. The activity was undertaken as a creative expression of patriotism and national pride, with NCC cadets coming together to create a vibrant rangoli inspired by the three colours of the National Flag. The initiative provided the cadets with an opportunity to express their respect for the Tiranga through art and collective participation, while also fostering the values of unity, discipline, teamwork and national consciousness that form an integral part of NCC training.

The activity thus served not merely as a decorative exercise but as a meaningful form of patriotic and collective expression by the NCC cadets, reinforcing the college's commitment to celebrating Independence Week through active student participation. As part of the preparations for the Independence Day celebrations, the activity thus served a dual purpose—carrying forward the spirit of the Har Ghar Tiranga Week while helping create a vibrant and patriotic ambience for the forthcoming Independence Day celebrations.

### **Event 5: Independence Day Celebrations**

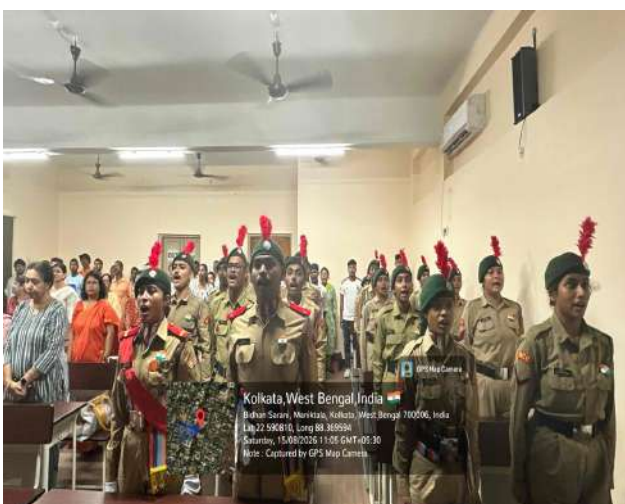

The Independence Day Celebrations at Khudiram Bose Central College were organised on 15 August 2026 as the culminating event of the Har Ghar Tiranga Week. The programme commenced with an impressive NCC drill display, showcasing the discipline, coordination and training of the cadets. As a mark of respect to the leaders and revolutionaries who contributed to India's freedom struggle, garlands were offered to the portrait of Netaji Subhas Chandra Bose and the statue of Bagha Jatin. This was followed by the hoisting of the National Flag, accompanied by the solemn observance of the spirit of Independence Day. The programme also witnessed the release of the College Journal, Pragya, marking an important academic and institutional occasion for the college community.

The Principal, teaching and non-teaching members of the college and students shared their reflections and thoughts on the significance of Independence Day and the responsibilities associated with citizenship and nation-building. The exhibition of paintings and posters prepared by the students during the Har Ghar Tiranga Week was also organised on the occasion, providing a fitting culmination to the creative activities undertaken during the week. The programme concluded with a cultural presentation in the form of a Shruti Natak, organised by the Cultural Committee and faculty members of the college. Through its combination of ceremonial observances, student activities, academic initiatives, creative expression and cultural performance, the Independence Day programme brought together the different dimensions of the week-long celebration and reinforced the values of patriotism, remembrance, unity and collective responsibility.

### Programme Outcome

The Har Ghar Tiranga Week provided a meaningful platform for students, faculty and staff to engage collectively in activities centred on patriotism, national unity and civic responsibility. The various programmes encouraged participants to develop a deeper appreciation of the National Flag and the history of India's freedom struggle, while also highlighting the values of sacrifice, unity and democratic citizenship associated with the attainment of Independence.

The week-long observance also promoted active student participation, creativity, teamwork and community engagement through rallies, Prabhat Pheri, painting and poster-making, Tricolour Rangoli, educational visits, NCC activities and cultural programmes. The participation of the NSS and NCC Units, academic departments and Cultural Committee demonstrated the college's commitment to combining academic learning with experiential and civic engagement. The programme culminated in the Independence Day celebrations, bringing together the entire college community in a shared expression of national pride and reinforcing the spirit of *Jan Bhagidari* and collective responsibility towards the nation.
