

Activities of 2020 on Gender Sensitization Programme

The institution has an Internal Complaints Committee as per the guidelines of the Supreme Court. Every year several awareness programmes with NGO working in this field are arranged for creating awareness among the students and staff of the college. Due to Pandemic no such plan could be executed in 2020-21. However the NSS wing of the college arranged online webinar on Health and Hygiene for the women and child where two medical practitioners from West Bengal Health Services delivered online Lecture on 15th August 2020.
